

After prayerfully considering numerous projects from partners and non-partners, we are happy to inform you that the Outreach Budget Team decided to **financially support 17 projects**. Here are the projects Grace Church will be funding:

- 1. Church Planting in Thailand** - We are helping fund Evangelism and Leadership Training for a Church Plant that was started last year and it's daughter churches. This is one of the most unreached areas in the world!
- 2. Freedom Fire** - We are helping fund a basketball court shelter over a basketball court that is two blocks away from the Freedom Fire community center. They are able to reach scores of children in section 8 housing.
- 3. Victory Soccer Camps** - Victory Through Jesus Sports Ministry exists to see churches utilize soccer as an evangelism and discipleship tool. In the past 15 years they have shared the gospel with 15,000 kids and have over 3500 come to Christ.
- 4. Church Planting in Romania** - We are helping them purchase a permanent facility so they can continue to minister in their community.
- 5. Rachel House** - We are helping fund 35 families through underwriting the cost to go through the entire program from the beginning of pregnancy through the first year of life. The program includes free pregnancy testing, ultrasounds, education, mentoring, and evangelism. They minister to those who are at risk for abortion in our communities. They have a holistic approach. In the last 3 years they have shared the gospel 6300, educated almost 15,000 people on healthy pregnancies and saved 4,859 babies... 4,859 people are alive today because of the Rachel House!
- 6. Church Planting in Kurdistan** - We are helping the team with their business platform so they can stay in the country and share the gospel among a people group that only .01% are followers of Jesus.
- 7. Church Planting in Morocco** - We are helping with their language learning so they can share the gospel and plant a church accurately in the local dialect.
- 8. STUMO Gospel Events** - We are helping the college campus ministry host gospel events to make disciples among college students and prayerfully mobilize them to the unreached.
- 9. Shelter KC** - We are purchasing an A/C unit so they can continue to minister to over 1500 of Kansas City's homeless.

10. **Church Planting in India** - Their vision is “to see India revolutionized by the gospel from the wealthiest Brahmin to the most forgotten street child”. We are helping them learn the language to fluency to see that happen.
11. **Ray of Hope Brazil** - We are helping purchase Bibles, emergency help kits for special needs, Discipleship Training, and Training Jungle Pastors.
12. **Church Planting in Spain** - We are helping a church planter share the gospel in an area of Spain where it is said that there is more caffeine in a decaf cup of coffee than there are followers of Jesus.
13. **Afghanistan Gospel Project** - We are helping to fund a project where the gospel will be shared with a people group of 300,000 where there is not 1 known believer among them.
14. **PastorServe** - We helped fund 3 cross cultural cohorts to promote unity and the love of Christ in our city across racial, ethnic and geographic lines.
15. **Seed Co** - We are helping finish up 5 translations of the Bible.
16. **Seeds of Hope Jericho** - We are helping an organization minister to women in the middle east.
17. **Nepal Pastors Training** - We are helping fund the training of rural pastors to help plant churches in remote places where churches do not yet exist.

Check out this financial break down:

Over **\$229,000 given** to specific projects

\$157,800 will go toward reaching people groups that are **less than 2% gospel believing** followers of Jesus.

\$131,300.00 is directly related to **church planting efforts!** (This is not including Mission City & The Message Church)

\$750,000 have been given away... a record for Grace Church and in the COVID season!

Praise the LORD with us as we give so the gospel can be preached in our city, our country and all over the globe among people that are considered “UNREACHED & REACHED.” Thanks for your giving and prayers.

** The \$229,000 given away for project proposals does not include helping fund our church planters, our regular monthly giving, and the extra giving during COVID
