

The Book of Luke

Scripture is the truth of God revealed to humanity, and that Truth is a person. His name is Jesus Christ. One of the ways we will encounter Jesus in 2026 is by spending the year walking through the Gospel of Luke as a church family.

We invite you this year to read a chapter of Luke each day and meditate with us for the week on the teaching passage from Sunday.

Our prayer is that you would join us on this journey through the story of Jesus in 2026.
