

Group Starter is a 2 Sunday event designed to start and launch brand new Grace Groups! A Grace Group is a group of 8-12 people who meet regularly, living and growing more like Christ together!

Lunch and childcare are provided.

What to expect at Group Starter?

Every session is made up of 3 components:

- Connect - catch up, chat over food, check in to see how everyone is doing.
- Learn - the study portion of the event. Watch and learn!
- Apply - Talk with your table about what you have learned, and how it may fit in your life.

You will initially be seated with other people in a similar stage of life. Each session you will have the opportunity to stay at your table or join another table that may be a better fit (we promise we won't take it personally). Check out what each session will look like below:

Sessions

Group starter is made up of three sessions taking place over two consecutive Sunday afternoons. Session 1 will take place on Sunday, August 18 at Noon and Sessions 2 & 3 will take place on Sunday, August 25 at Noon.

Day 1, Session 1 - Connect

This session is all about connecting! You will meet and connect with other people who may be part of your future group. Get to know others on a deeper level and learn about what it means to be connected in a Grace Group.

Day 2, Session 2 - Grow

How exactly are we supposed to be growing spiritually? Sometimes "spiritual growth" can seem like an ethereal, impossible-to-obtain thing. Luckily, spiritual growth isn't supposed

to be unobtainable, and this session will break down how we can grow spiritually (especially within a Grace Group).

Day 2, Session 3 - Go

This session will be focused on organizing the first-ever meeting of your brand-new Grace Group! You will make decisions like where and when you will meet. This session will focus on establishing principles that will help your Group be fun, life-giving, and long-lasting!

We will work with you and be sure to let the group at your table know.
